Disclaimer: The use of this seal is not an endorsement by the HR Certification Institute of the quality of the program. It means that this program has met the HR Certification Institute's criteria to be pre-approved for recertification credit.

Emergenetics Certification is designed with business needs front and center. We provide knowledge and insight on people that ensures talent development meets strategic business objectives. You also gain access to a secure online management system and a dedicated global support network of Emergenetics experts and offices.

ABOUT THE PROGRAM

The Emergenetics Certification Program is a 3.5-day train-the-trainer session designed to equip you with the necessary knowledge and skills to develop and implement Emergenetics workshops and seminars.

As a Certified Associate, you will gain access to a full slate of resources, including the Power of WE and e-Learning platform. Enjoy the flexibility of using these ready-made tools to implement Emergenetics in workshops that fit the needs of your business.

WHAT YOU GET

Emergenetics Certification Manual complete with exercises, ideas and detailed instructions

PowerPoint Presentation Slides ready for workshop delivery

Activity Resources that can be used immediately with your clients or in your organization

Management System to help you organize your groups' profiles and reports

Marketing Materials to help you make the business case for Emergenetics

And more...
